

# REMINDER TO ALL EMPLOYERS

The Zimbabwe Manpower Development Fund would like to remind all employers that Manpower Training levy is due on the first of each month and shall be calculated based on the wage bill of the preceding month.

**Employers who are remunerating their employees in foreign currency, whether in full or in part, are advised to remit the 1% training levy in the same currency.**

Section 53 of the Manpower Planning & Development Act as read with Section 3 of S. I. 74 of 1999 states that employers operating in Zimbabwe are obliged to remit 1% of their monthly gross wage bill to ZIMDEF as Manpower Training Levy.

Due to the current COVID 19 pandemic being experienced in the country, we encourage employers to make their payments online and send proof of payments and declaration forms through e-mail by the 15<sup>th</sup> of each month.
